BUILDING STRONG

LEADERS IN QUALITY CONSTRUCTION AND INFRASTRUCTURE

At Tuo Tuo General Transport Est, we uphold a firm commitment to exceptional customer service and unwavering dedication to customer satisfaction, ensuring success in today's competitive market.

WHO WE ARE

Company Concept

Tuo Tuo General Transport Est is a 100% locally owned company with 25 years of experience in contracting, transportation, investments, and engineering. The company provides top-tier transportation and construction services, supported by a team of highly skilled and well-maintained professionals.

With an extensive background in managing large-scale projects, including transportation, construction and real estate development, the CEO of TUOTUO company's leadership spans over two decades of strategic planning, operational excellence, and innovative growth.

"Our deep understanding of the local market, combined with a vision for sustainable development, has positioned us as a major player in the construction industry within the UAE, particularly in Abu Dhabi's dynamic business landscape"

SALEM ALKTHERI

CEO

OUR PHILOSOPHY

At Tuo Tuo General Transport Est, we operate under a core philosophy that prioritizes superior customer service.

We place a strong emphasis on understanding the unique needs of each client and delivering tailored solutions that exceed expectations.

Our unwavering commitment to customer satisfaction is reflected in every aspect of our business, from the professionalism of our team to the excellence of the services we provide.

OUR COVENANT

At Tuo Tuo General Transport Est, our mission is to deliver exceptional customer service with a strong emphasis on safety and quality. We are committed to proactively addressing the needs of our clients, ensuring that each interaction is met with efficiency and reliability.

QUALITY

We take pride in operating a modern fleet of over 40 heavy vehicles and equipment, including fuel tankers, water tankers, flatbed/low bed trailers, and more. This extensive range of machinery ensures that we can handle projects of any scale with precision and dependability.

FLEET

DIVERSITY

Over the years, Tuo Tuo has expanded to become one of the leading transport and heavy equipment rental companies in the UAE. Our reputation for excellence has enabled us to serve a diverse range of industries, providing tailored solutions to meet the demands of various sectors.

WORKFORCE

With a team of over 70 dedicated workers and employees, we continue to grow our presence in both the transportation and real estate sectors, maintaining our position as a trusted name in the UAE market.

TIMELINE HISTORY

1996

STORY STARTED

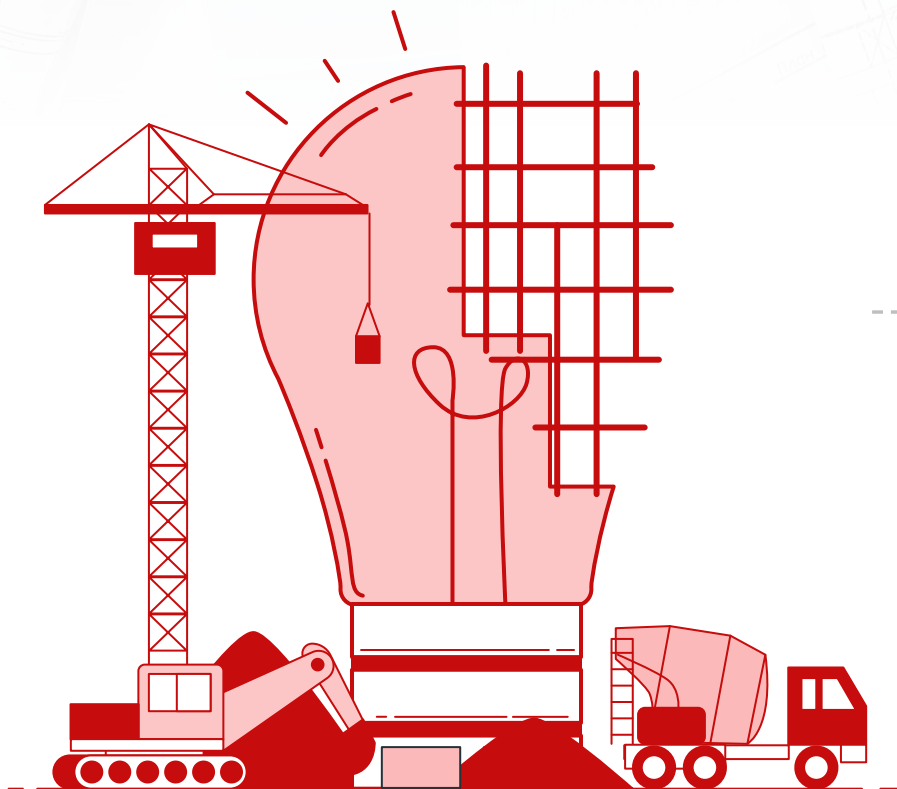

With a focus on both current market needs and future trends, we deliver retail projects that stand the test of time, offering consistent returns for investors and dynamic opportunities for businesses

Established in 1996 in the UAE, our company has grown to become a key player in the real estate and investment sectors, driven by a deep commitment to quality and innovation. Over the years, we have expanded our portfolio to include a diverse range of projects, particularly focusing on the development of retail spaces that cater to the evolving needs of modern businesses.

Our long-standing presence in the UAE market reflects our ability to adapt to changing economic landscapes while consistently delivering value to our clients, partners, and stakeholders. With nearly three decades of experience, we continue to uphold the highest standards of excellence in every project we undertake.
